The 3 hours allotted time to your recording session includes your preparation, recording time, as well as the mix down of your voice with FX's and balance levels.

The studio is located in Thornbury.

Cost: \$280 per student which also includes coaching support from Madeline throughout the entire session.

Recording is by appointment only. Please contact me to book your spot!

Our singing parties have been a hit so far! If you decide to hold one, you will receive 3 hours of fun with; food, drinks, a party theme which includes decorations, gift bags and polaroid memories for each child.
